Payment Policies

All accounts are set up on a prepay basis. Any changes to prices will be clearly communicated to customers prior to their application, with customers being given one month's notice of any changes. Notice will be served via email, to the customer's email address held by Lancefrench.com Limited. Payment is due every quarter, from the date the account was established. The Customer is responsible for all money owed on the account from the time it was established to the time that the Customer sends a written cancellation request. No bills or invoices will be sent by regular mail. All invoices will be sent directly to the Customer's email address held by Lancefrench.com Limited.

Where the Customer is using any Software supplied by Lancefrench.com Limited on a subscription or 'pay per use' basis no data or files can be returned to the Customer, other than the data or files that they can extract themselves using the interface supplied to them for accessing the Software. This is due to the nature of the bespoke Software and databases used. For this reason Customers are again urged to maintain backups of all their data and files.

In the event that Lancefrench.com Limited cancels the Customer's service, the customer will be entitled to a pro rata refund based upon the remaining period of service.
